

# Know Kenya More through Films

## Presented by

 Kenya Museum Society & Karen Country Club

# Monica Wangu Wamwere: The Unbroken Spirit

## Director: Jane Murago Munene

The Unbroken Spirit explores the search for justice by a mother for her three sons and forty nine other detainees locked up during the clamour for multiparty democracy in Kenya. It is a story of courage, determination and power for the powerless. Above all, it is the story of a mother's unconditional love.

Winner, First Prize, Best Documentary at the Pan-African Film and Television Festival of Ouagadougou (FESPACO)
